NOVARTIS PHARMACEUTICALS
 CORPORATION

Appellant/Cross Appellee,

vs.

PEGGY STEVENS

Appellee/Cross Appellant.

PEGGY STEVENS' RESPONSE
 TO NPC'S MOTION TO FILE
 CORRECTED BRIEF

The Appellee, Peggy Stevens, has no objection to NPC's conversion table matching the transcript references made in its original opening brief to the correct page numbers in the actual transcript or that it be filed with NPC's opening brief.

However, the Appellee is unaware of any authority for substituting an entirely new brief for an already filed brief to correct some technical error in the brief, nor has NPC cited any.

Appellee objects to NPC's motion to file an entirely new brief which would require word by word comparison to the old brief and that Peggy Steven's brief, which referred to NPC's incorrect references to the record in at least one location, also be corrected.

For these reasons, Appellee requests that NPC's conversion table be allowed and attached to its original brief, but that its motion to file an entirely new brief be denied.
